Rotting Man poem:

What a hideous man
Whos skin peals & flakes
A repulsive zombie
With the oder he makes
Teeth brown & slimey
Face bubbles & bleeds
He cant start to cover
The decay that leads
He gets up to shower
But the water burns when it pours
He wants to brush his teeth
But it rubbs on his sores
Rotting man Rots
& He rots from his core

Rotting Man
Novella coming soon!

"Once I had rid the body of its hair and skin, I was naked in a deeper way. I was like Mowing the yard had turned into plowing the dirt. For a moment, as I looked at the clean pink meat, I looked human."
